

DO YOU HAVE A NEATE IDEA? WHY NOT PASS IT ALONG!

What is “NEATE IDEAS 2005” all about?

We are collecting great lesson plans and classroom activities to share with our fellow NEATE members. It is our hope to compile these ideas in an easy to use CD that we will sell at the 2005 conference for a small fee. If you submit an idea we will give you a FREE copy of the completed CD when we see you at the Conference in October.

How should you send your NEATE IDEAS?

Please send your lesson plan or classroom activity as an attached document to the email address below. We would prefer it in a Word Document, but if you cannot do that, any text file will do. Please be sure to let us know how you would like to be credited for your idea.

Where should you send your NEATE IDEAS?

If you have a NEATE IDEA please send it via email to Patty Sockey at patster@charter.net

DEADLINE FOR SUBMISSIONS: APRIL 15, 2005.

NOTE: Multiple submissions are welcome, but we can only provide one FREE copy of the completed CD.

THANKS SO MUCH!
