

CTCTE and NEATE
invite you to join us as we use the

“Seeing White” podcast series this summer to explore race, identity, and history.

Where did the notion of “whiteness” come from? What does it mean? What is whiteness for? Scene on Radio host and producer John Biewen took a deep dive into these questions, along with an array of leading scholars and regular guest Dr. Chenjerai Kumanyika, in this fourteen-part documentary series, released between February and August 2017.

- Discussion questions will be posted at the beginning of each week on a Google doc shared with registrants. This will be a slow chat format. Answer and respond when you can. The group discussions will help us debrief and reflect on our new learning.
